6. Failure to Provide Truthful Information.

The magistrate judge filed a report and recommendation on June 17, 2024, in which the magistrate judge recommended that the Court find that the defendant has violated the conditions of his supervised release as set forth in violation numbers 1, 3, 4, 5, and 6.¹

A final supervised release violation hearing was conducted on July 9, 2024. Present were the following: Assistant United States Attorney Joseph Walsh, representing the United States; Assistant Federal Public Defender Darin Thompson, representing the defendant; the defendant Timothy Moore, Jr., and United States Probation Officer Mark Shannon.

IT IS ORDERED that the defendant's supervised release is revoked, and the defendant is committed to the custody of the Bureau of Prisons for a term of 7 months, with credit for time served, followed by 5 years of supervised release. The defendant is to have the same terms and conditions of supervised release as previously imposed, and with the following additional conditions:

Cognitive Behavioral Treatment: You must participate in a cognitive-behavioral treatment program and follow the rules and regulations of that program. The probation officer will supervise your participation in the program (provider, location, modality, duration, intensity, etc.).

Reentry Program: The Court recommends, upon defendant's release from custody, that the defendant be considered for the reentry program in the Northern District of Ohio.

Defendant remanded.
